Obtained an 'A' grade in History, and 'B' grades in Chemistry, French, Drama and General Studies. Gained 12 GCSEs A*-C, including English Literature (A*), English Language (A) and Maths (A).

Employment:

MThree Consulting Ltd / Royal Bank of Scotland Group

Developer (September 2015 – Present)

- Working primarily in a developer role based onsite at RBS, in the Futures Technology space.
- Day-to-day is working on the in-house Futures Execution technology that handles communication between the full F2B stack. Currently working on a major transformation project due to a 3rd-party vendor switch, working on the entire lifecycle in an agile environment.
- Have taken on additional responsibilities, including BA and PM work, as well as implementing a CMMI for the team to enhance development practices.
- Technologies used include Java, FIX Protocol, C#, SQL, Unix and a variety of agile tools.

University of Kent Information Services

Assistant Support Desk Supervisor (September 2014 – August 2015)

- Role included supervisory & SME aspects.
- Required to manage the University IT services at the weekend and out of hours.

IT and Library Support Desk Assistant (April 2013 – September 2014)

- Customer-facing helpdesk role helping with technical issues.
 - Helped develop my abilities to deal with a range of customers, communicating with relevant colleagues and maintaining a presentable, professional work environment.
-

Additional Information:

- Member of the British Psychological Society, holding a title of MBPsS.
- Treasurer and committee member of the University's trampolining team for two years.
- British Gymnastics' qualified judge, and have judged at national competitions to an elite level.
- Received Green Colours from Kent Sport for the administrative service I provided to the club.
- Received a KSCV Gold Award for over 100 hours of volunteering.
